

# FAA Stories

## CONTENTS

*Miles City, MT*                      *1975–1978*

*Jamestown, ND*                      *1978–1979*

*Huron, SD*                              *1979–1985*

*Watertown, SD*                      *1985–1989*

*Pierre, SD*                              *1989–1991*

*Huron, SD*                              *1991–2001*

*These stories are random recollections of various events that I recall from my years working as a Flight Service Specialist. Other than inserting the stories into the time period when I worked at each facility I've made no attempt to sequence events in a chronologic order. When possible I've included actual or approximate dates if known.*

*Jim*
